SUMMARY

- Marketing & PR professional with hands-on experience across UK brand launches, influencer/KOL campaigns, bilingual content localisation, Shopify-based DTC brand building and client-facing campaign delivery.
- Skilled in coordinating agencies, vendors and stakeholders across English and Mandarin-speaking markets.
- Brings 2+ years of first-hand social media content creation experience as a UK-based creator, alongside 1 year of agency-side PR and marketing experience across brand visibility, audience engagement and campaign support.

PROFESSIONAL EXPERIENCE

KIDEA UK	Marketing & PR Account Executive	July 2025 - May 2026
• Managed influencer pipeline and led KOL/media coordination for brand campaigns, including creator sourcing, shortlist preparation, rate negotiation, contract drafting, guest communication and post-campaign performance tracking across views, reach, engagement, campaign delivery and conversion-related metrics. • Developed bilingual content strategies and localised campaign assets for UK-based SME clients across food & beverage, property and beauty sectors, including RedNote posts, Instagram content, TikTok video concepts, Google review strategy, menu translation, KOL sourcing and post-campaign reporting. • Delivered bilingual content and influencer campaigns for SME clients, contributing to a 20%–35% campaign-period uplift in tracked metrics such as sales, bookings, customer orders and footfall, based on client-reported performance data. • Coordinated 10+ BYD UK multi-store activations across London, Bristol and Coventry, supporting event planning, local customer engagement and post-campaign reporting across five flagship locations. Tracked lead-generation performance, with multi-store activations generating approximately 800-1,500 leads per campaign period. • Played a key role in the global launch of the Haier Horizon series at the Royal Observatory Greenwich, coordinating venue liaison, supplier contracting, KOL/media guest management, talent booking and on-site event delivery for a 100-guest launch attended by senior Haier stakeholders, media representatives, KOLs and a Liverpool FC player.		
CozyPaw Treats	Co-founder & Marketing Lead	Oct 2024 - Apr 2025
• Co-founded and launched a Shopify-based UK pet treats brand, owning brand positioning, product structure, content strategy, KOL outreach and customer acquisition across Instagram, TikTok and RedNote. • Built the Shopify store from scratch, including product pages, checkout, payment, shipping, discount codes, abandoned checkout emails and basic SEO. • Reduced cart abandonment by 41% through trial-pack offers, abandoned-checkout email flows and customer journey optimisation.
