- Skilled in coordinating agencies, vendors and stakeholders across English and Mandarin-speaking markets.
- Brings 2+ years of social media content creation experience as a UK-based KOL, combined with 1 year of PR and marketing experience across brand visibility, audience engagement and client-facing campaign support.

PROFESSIONAL EXPERIENCE

KIDEA UK Marketing & PR Account Executive July 2025 - May 2026

- Supported the global launch of the Haier Horizon series at the Royal Observatory Greenwich, coordinating event logistics, venue operations, supplier communication, guest flow and on-site execution.
- Coordinated **10+ high-profile brand and PR events** for BYD UK across 5 flagship stores, liaising with global clients, local agencies, vendors and store teams to ensure smooth delivery and consistent brand presentation.
- Built and maintained a bilingual media and influencer database covering **100+ premium UK and global media outlets** and **500+ English/Chinese KOLs/KOCs**, supporting targeted outreach, campaign planning and cross-cultural brand exposure.
- Facilitated cross-functional communication between international clients, UK-based agencies, vendors and internal teams, helping align campaign objectives, event timelines and execution requirements across multiple stakeholders.
- Developed bilingual social media and localized campaign content for UK-based SMEs across Chinese and English platforms, contributing to a **measurable 20%–35% increase** in quarterly revenue for selected partner merchants.

CozyPaw Treats UK Ltd. Business Development & Brand Manager Oct 2024 - Apr 2025

- Built and executed the go-to-market strategy for a premium UK pet treats brand, defining brand positioning, target customer segments, promotional channels and early-stage sales initiatives.
- Developed customer acquisition and retention campaigns, including holiday bundles and UGC-led promotions, **reducing cart abandonment by 41%** and **increasing customer retention from 15% to 23%**.
- Created a data-driven sales and marketing framework that delivered a **28% ROI, outperforming the 19% industry benchmark**, while building KOL partnerships to expand brand visibility and generate qualified inbound leads.

China Galaxy Securities Fixed Income Currencies & Commodities Intern Jul 2022 - Sep 2022

- Used Wind and financial data platforms to support fixed-income market analysis, data consolidation, and investment research for senior stakeholders, processing data across 100+ listed and private companies.
- Built and maintained a structured database covering bond market dynamics, issuer profiles, credit indicators, and market updates, improving data accessibility and reducing manual research time by approximately 15–20%.
